DETAILED ACTION

Claims pending 1-8,11-14 and 18-26.

The double patenting rejection that was dropped in paper dated 10/17/2005 was made in error.

The rejection is partly withdrawn with respect to US 6686395 but not to US 6531495.

The US'495 has subject matter overlapping with the current application. The applicant have not shown a clear line of demarcation between the two. Thus the rejection still stands.

The rejection of claims 9,14 and 26 under 35 USC 112 , for the term prophylaxis has been withdrawn in the previous action.

The rejection of claims 9, 15-17 under 35 USC 112 first para has been withdrawn since applicants have cancelled the claims.

The rejection of claims 10-13 and 26 second para as being indefinite has also been withdrawn since applicants have deleted the term therapy and claim 10 has been cancelled.

Thus the double patenting rejection over US '495 is the only remaining rejection.

Conclusion

THIS ACTION IS MADE FINAL. Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire THREE MONTHS from the mailing date of this action. In the event a first reply is filed within TWO MONTHS of the mailing date of this final action and the advisory action is not mailed until after

Art Unit: 1625

the end of the THREE-MONTH shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the mailing date of this final action.
